**Spiritual, Moral, Social and Cultural (SMSC) Audit 2021 2022**

At St Michael and All Angels CE VA School we recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn, achieve and thrive. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of a range of cultures.

- use of imagination and creativity in their learning
- willingness to reflect on their experiences.

**Pupils' moral development is shown by their:**
