Dear Supporter,

I am writing on behalf of Pendleside to express our gratitude for your recent donation. Your generosity, along with that of thousands of other people, allows us to continue providing our vital care services to people in Burnley and Pendle with cancer, and other life-limiting illnesses. Thank you for thinking of us; your kindness is greatly appreciated.

The Hospice continues to experience growing demand for all its services. As you may know, we provide inpatient care, day services, outpatient services, hospice at home and family support. In a typical year, we care for over 1,200 local people; supporting patients and their families through this most difficult of times.

Our annual running costs are now almost £4 million, of which over £3 million is raised charitably from donations and fundraising activities. We receive outstanding financial support from local people, which, in turn, benefits those in Burnley and Pendle who need our services.

We like to keep our supporters informed about news and developments at Pendleside, as well as our various fundraising events. We hope that you will enjoy hearing from us but, if you would prefer not to, please let us know so that we can delete you from our mailing list.

Yours sincerely

Thankyou so much!
