Design Technology

Mechanisms: Sliders & levers

- To design purposeful, functional, appealing products for themselves and other users based on design criteria. (*moving picture*)
- To generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology. (*design own moving picture*)
- To select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing]
- To explore and use mechanisms [for example, levers, sliders, wheels and axles], in their products.

RE

- To give children an opportunity to reflect upon the miracles of nature and new life during springtime.
- To hear and be able to retell the Easter Story.
- To make links between the transformation of plants and animals and the Easter story in order to develop an understanding of the resurrection.

Topic:

Our country- where do I live?

Mathematics

PSHE

Core theme: Living in the Wider World

What can we do with money?

- What money is - that money comes in different forms
- How money is obtained (e.g. earned, won, borrowed, presents)
- How people make choices about what to do with money, including spending and saving
- The difference between needs and wants - that people may not always be able to have the things they want
- How to keep money safe and the different ways of doing this

PE

- Lancashire Scheme of Work - Mr Phillipson

Topic:

Our country- where do I live?

Computing - Technology Around Us

- To know that technology is something that helps us.
- To identify a computer and know the main parts.
- To know how to type using a keyboard.
- To know you can edit text using a keyboard.
- I can identify rules that help keep us safe and healthy in and beyond the home when using technology
- I know that the work I create belongs to me.
- I can name my work so that others know it belongs to me.
