Ofsted Inspection

I think most people are aware school had an Ofsted inspection on the 30th of April and the 1st of June. I am pleased to share that during the inspection, our children displayed excellent behaviour and truly showcased their dedication to learning. Your continued support and involvement in your child's education did not go unnoticed, and it was deeply appreciated. While I am unable to disclose the outcome of the inspection until the final report is released, I want to assure you that I will communicate the results with you as soon as I am able to do so. Your understanding and cooperation during this time are greatly valued.

Thank you once again for your ongoing support and commitment to St. Michael and All Angels.

Year 6 Netball – Thursday 8th May

Really proud of our netballers representing St. Michaels tonight in our new kit!

As part of our linking project with Marsden, year 4 have created a kindness tree and made a pledge to reduce the amount of litter around school and our local area.

Reminder – Pre Order Lunch EYFS,KS1 & KS2

From w/c Monday 20th May we will no longer be taking the children's lunch order in school. We are really pleased that you can now pre order your child's lunch and choose what your child would like to eat. By doing so, we can better cater to each student's dietary preferences and requirements, making their lunchtime both enjoyable and nourishing. Pre-ordering lunch not only saves time but also allows us to focus on maximising the learning opportunities for your child in school.

You can pre order your child's lunch via school spider. May I kindly ask you do not select 'Let school decide' – please select a meal option. Lunch orders will close the day before at 8am to enable us to inform the kitchen of numbers (**if your child requires a lunch on a Monday please pre order this before 8am the previous Friday**).

We appreciate that life doesn't always go to plan and that sometimes a last minute lunch is required. If this is the case, please contact the office via email – bursar@st-michaelangels.lancs.sch.uk phone or in person on that morning.

Attendance Matters

Attendance research shows that pupils who attend school regularly are more likely to do well in the future. Regular attendance helps children to develop their confidence and to make and keep lasting friendships. Punctuality is also very important. School opens at 8:40am and children must be ready to learn by 8:50am each morning.

Did you know, that being just 15 minutes late each morning means that your child would miss 10 days from school each year?

If your child is absent, please ring school at your earliest opportunity and leave a message on the answerphone. If the attendance of a pupil is low or they are persistently late, parents will be contacted and asked to meet with school staff to see how this can be improved. Support will be offered to both parents and pupils as required. Thank you.
