## Attendance Matters

Attendance research shows that pupils who attend school regularly are more like to do well in the future. Regular attendance helps children to develop their confidence and to make and keep lasting friendships. Punctuality is also very important. School opens at 8:40am and children must be ready to learn by 8:50am each morning.

Did you know, that being just 15 minutes late each morning means that your child would miss 10 days from school each year?

If your child is absent, please ring school at your earliest opportunity and leave a message on the answerphone. If the attendance of a pupil is low or they are persistently late, parents will be contacted and asked to meet with school staff to see how this can be improved. Support will be offered to both parents and pupils as required. Thank you.
