The background is a dark blue gradient with a subtle pattern of white dots. Overlaid on the left side are several concentric circles and a large circular scale. The scale has markings from 140 to 260 in increments of 10. There are also several smaller circles with arrows indicating a clockwise direction.

The Theory of Relativity

It's because of the ability of people with ASD to see things differently that we have some of our world's greatest achievements

The Theory of Evolution

FACT: People with ASD may be non-verbal, or take longer than other children to learn to talk. Einstein didn't speak a word until he was five.

WHAT IS RESPECT?

RESPECTING AND CELEBRATING DIFFERENCES

**SHOW RESPECT
TO EVERYONE.**

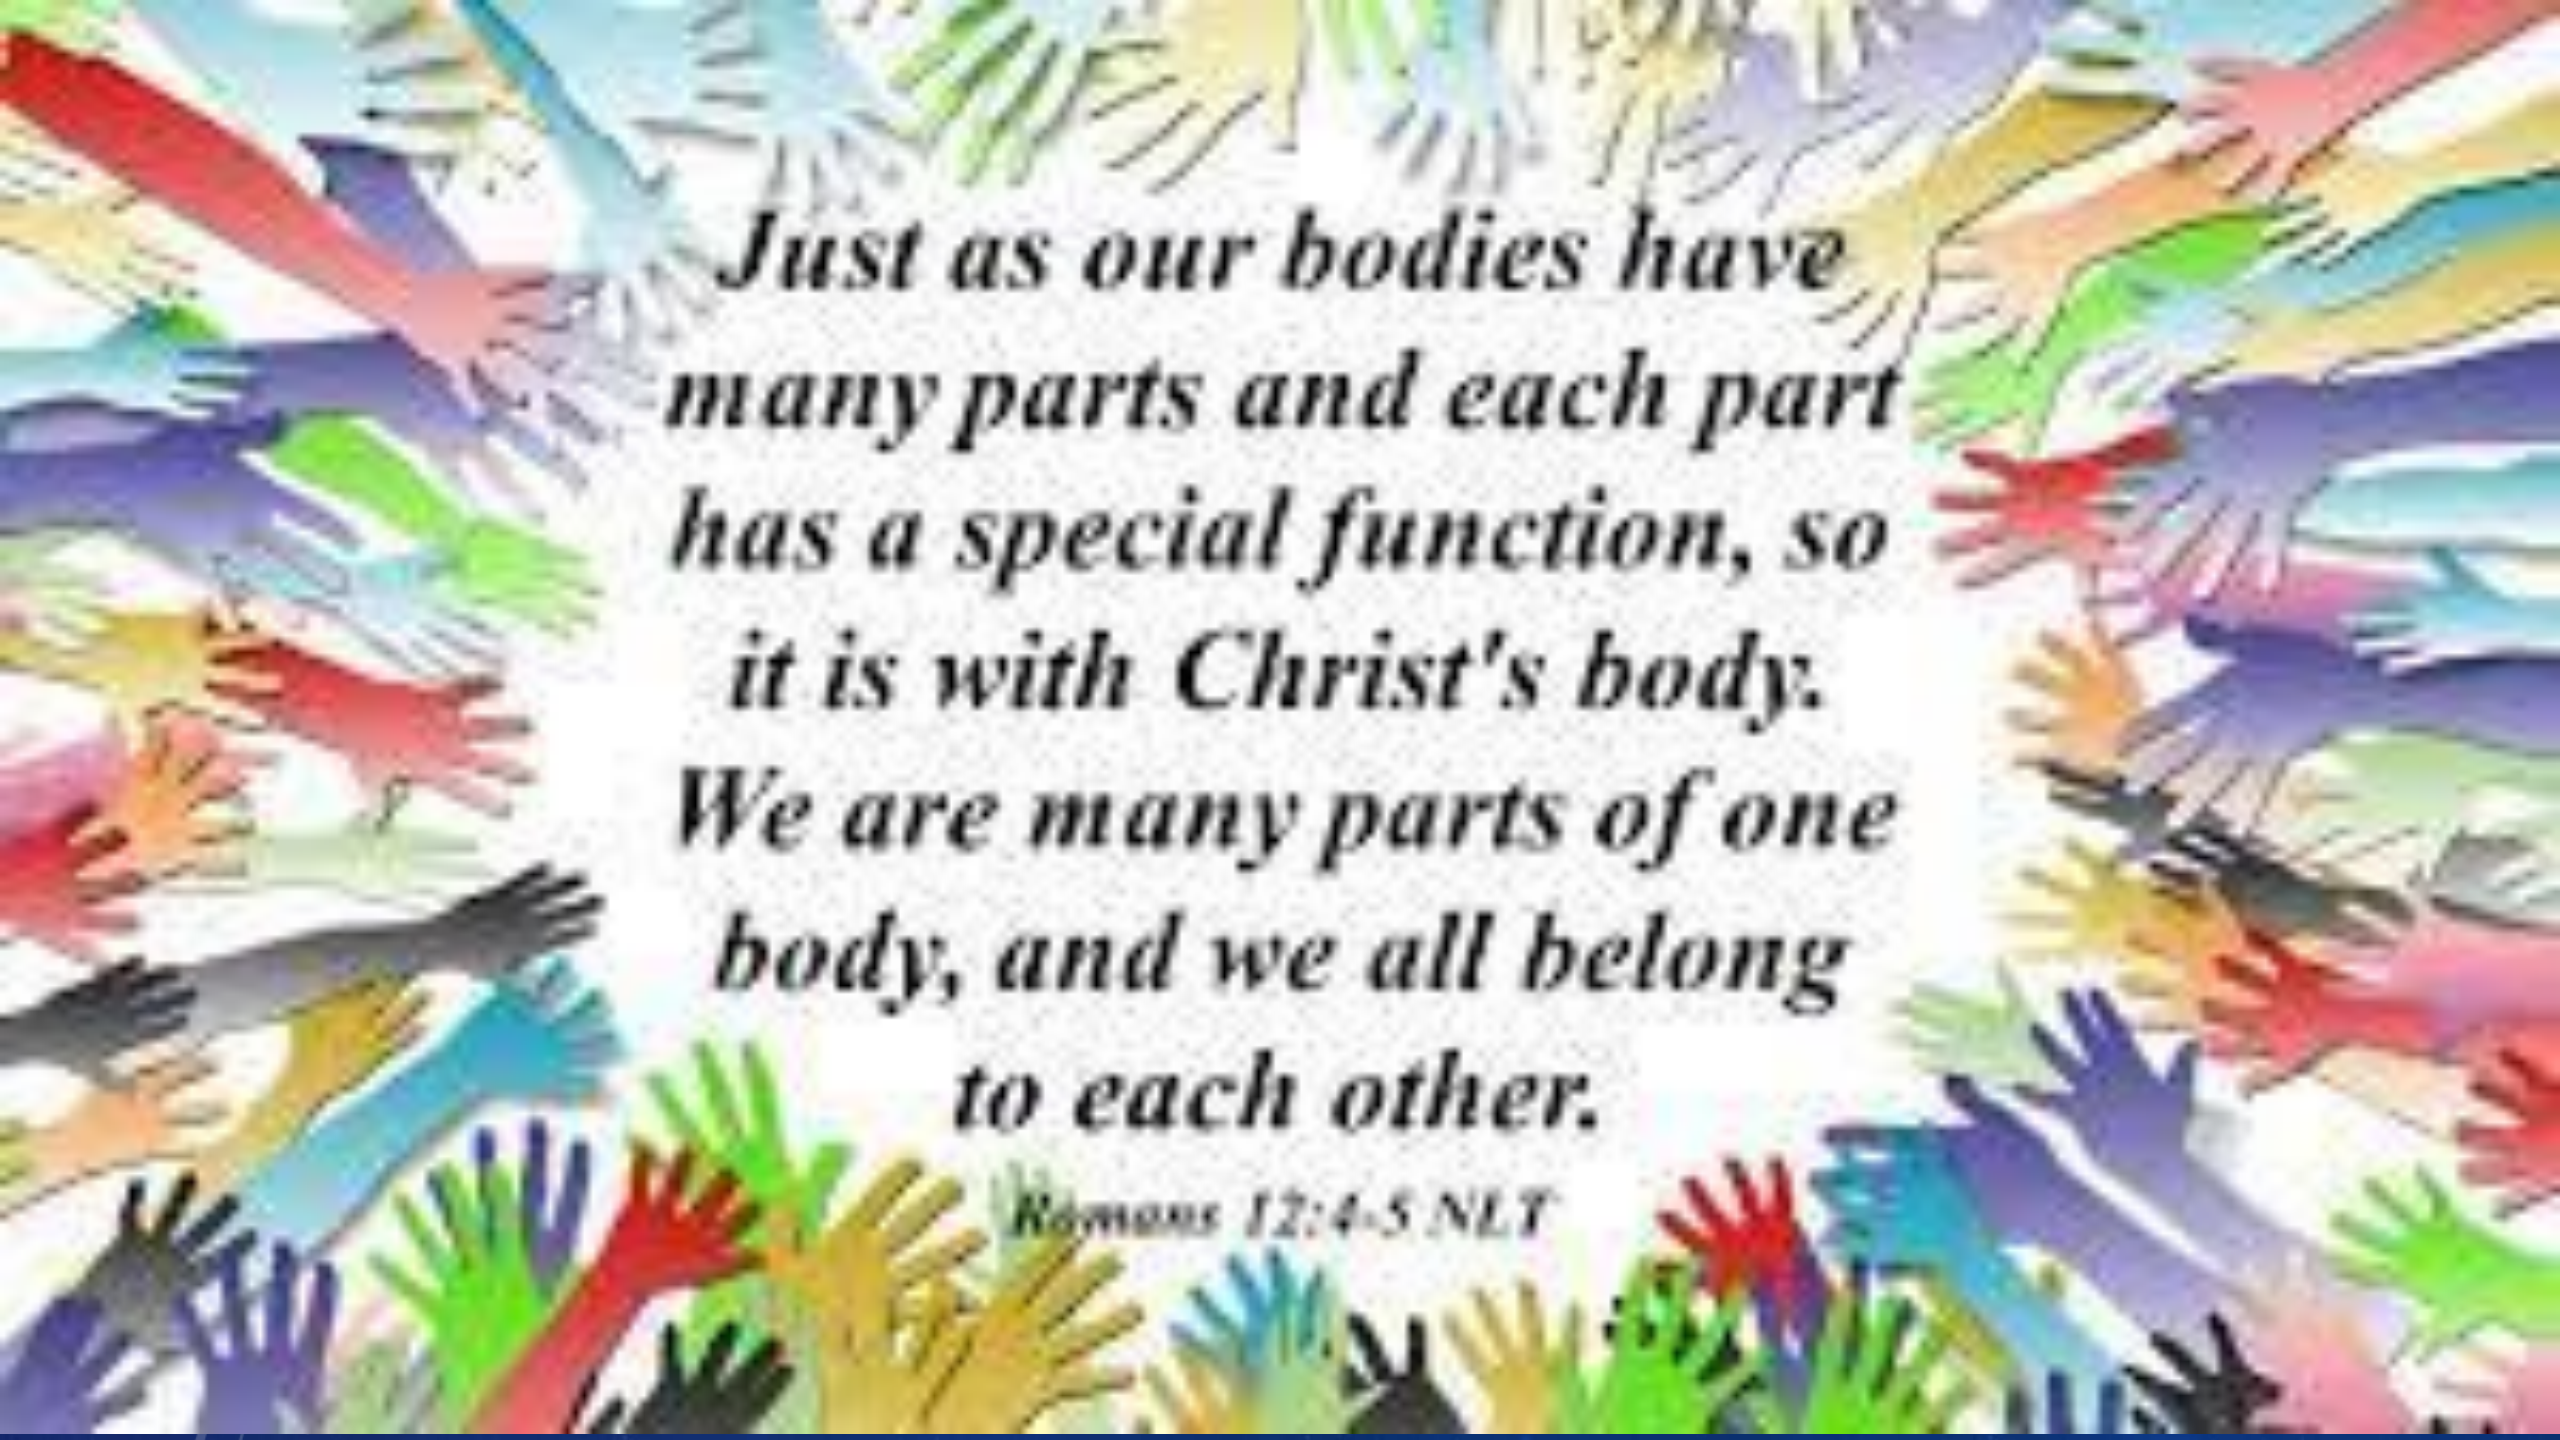

1 PETER 2:17

Be tolerant with one another and
forgive one another whenever any of
you has a complaint against someone
else. You must forgive one another
just as the Lord has forgiven you.

Colossians 3:13

Respect and tolerance
builds a stronger society.

*Just as our bodies have
many parts and each part
has a special function, so
it is with Christ's body.
We are many parts of one
body, and we all belong
to each other.*

Romans 12:4-5 NLT

TIME FOR REFLECTION

“Be tolerant with each other and, if someone has a complaint against anyone, forgive each other. As the Lord forgave you, so also forgive each other.”

COLOSSIANS 3:13

Amen.
